

Permission to Reproduce Form

For Late-Breaking Papers at GECCO-2003

Complete this form and send it with two camera ready copies to:

GECCO-2003 Late Breaking Papers

c/o American Association for Artificial Intelligence

445 Burgess Drive, Menlo Park, CA 94025 USA

Paper Title: _____

Author(s): _____

The undersigned (hereinafter the “Author”), desiring that the paper identified above (hereinafter the “Paper”) appear in a volumen entitled “Late-Breaking Papers at the 2003 Genetic and Evolutionary Computation Conference” to be edited by James A. Foster, hereby grants non-exclusive permission to the International Society for Genetic and Evolutionary Computation, an Illinois not-for-profit corporation, to prepare and print the Paper for distribution at the Genetic and Evolutionary Computation Conference 2003 and sale throughout the world, in this volumen.

The Author retains copyright, right to transfer the copyright to other parties in the future, right to use any and all portions of the Paper in future volumes by the Author, all proprietary rights (patent rights, etc.), and all other rights.

The Authors warrants that he/she is the authors and/or proprietor of the Paper; that he/she has full power to make this agreement; that the paper does not infringe any copyright, trademark, or patent; and that he/she has not granted or assigned any right on the Paper to any person or entity that would interfere with this grant of permission.
